ULTIMATE UL-245LE

4.5 Tonne 2-Post Clear Floor Hoist

**2 SPEED
LOWERING
SYSTEM**

BUILT TO PERFORM, DAY IN & DAY OUT

4,500kg

Lifting Capacity
Handles passenger
vehicles, SUVs &
light commercial
with confidence.

Ultra Low Arms

2-stage & 3-stage
Ideal for lowered and
modern vehicles.

Single Post Construction

Provides added strength
and stability with fewer
join points for improved
long-term durability.

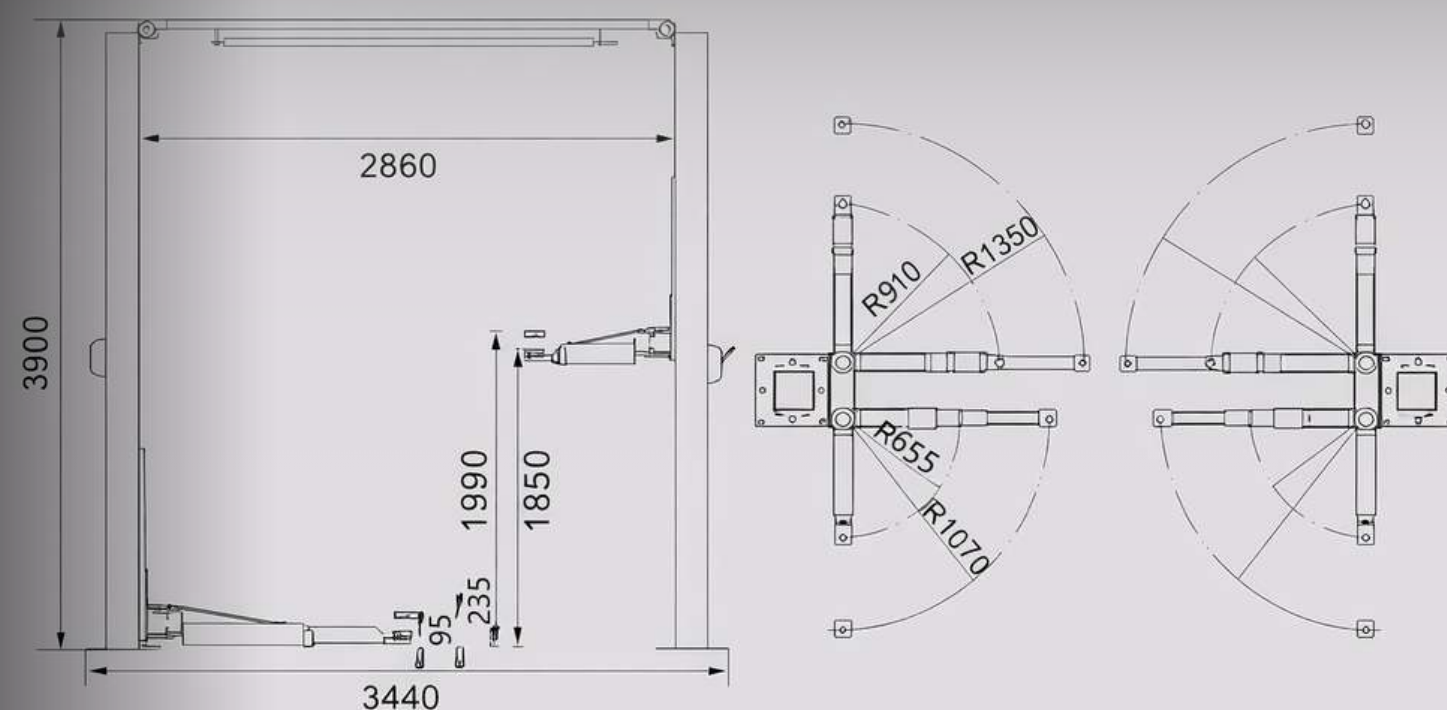

Large Carriage Design

Spreads load over a greater
area to reduce wear and
promote smoother lifting
performance.
